

Marylanders are ALL IN for 100% Clean Energy

The science is clear: Time's running out for serious climate action. The Clean Energy Jobs Act (CEJA) is Maryland's best vehicle to a 100% clean, renewable electricity future.

And it has momentum to pass:

660+

Organizations, businesses, faith organizations, and more support the policy

400

Maryland business owners have endorsed the Clean Energy Jobs campaign.

110+

84 state Delegates and 30 state Senators signed on in support of the policy - a de facto supermajority

Marylanders are ALL IN for the
Clean Energy Jobs Act!
